CCCS WEST SACRAMENTO

NEWSLETTER OCTOBER 2014

October 9, 2014

Dear CCCS West Sacramento Families,

We are looking forward to seeing you all at Parent/Teacher Conferences in two weeks. Please contact Mrs. Lana for an appointment. Progress continues to be made with the new facility. A location within 5 miles of the church has been identified and inspections, permitting, etc. are underway. I look forward to sharing an address with you once final papers are signed and it is revealed to me. We are still hoping for a January or February move.

We submitted paperwork for a new charter school to Washington Unified School District (WUSD). The name of the new school is Empowering Possibilities International Charter (EPIC). This school will be a great improvement from our current situation because we will no longer be an independent study school and can offer more instructional time and course offerings to our students. If EPIC is authorized by WUSD we will move forward with becoming an International Baccalaureate (IB) program which is recognized and distinguished through out the world. We need your help in helping this dream become a reality. Please join us on Thursday, October 23 at 6:00 to hear us present EPIC to WUSD and show support of our school. The meeting will be at West Sacramento City Hall located at 1110 West Capitol. Please bring all children, family members, friends, or anyone who will support us. You will sit in the audience and just show support, nothing will be required of you. Please join us for this important event!

We have a lot of fun family events coming up. Please join us for Family Olympics on October 31st from 12:00-2:30. A flyer will be sent out soon. We will also be having a Jog-a-Thon fitness fundraiser on November 7th from 11:00-12:00 and our Book Fair November 17th-20th. We would love to see you there!

Most Sincerely,

Toolie Younger
Principal
